

SYSTEM OF RECORDS NO.: HSNH.SF/HUP.01

SYSTEM NAME: Single Family Housing Enterprise Data Warehouse (SFHEDW) - D64A.

SYSTEM LOCATION: The HUD Data Center, which houses SFHEDW, is located at the Hewlett Packard (HP) Facility at 2020 Union Carbide Drive, South Charleston, West Virginia 25303-2734. Additionally, HUD Headquarter staff and staff throughout the United States will have access to SFHEDW through HUD's standard telecommunications network from desktop workstations. Internal and external hosted locations are as follows: HUD headquarters building, 451 Seventh Street, SW, Washington, DC 20410; and Field Offices and Home Ownership Centers¹ where Privacy Act records may be maintained or accessed. The records management storage and archival facility for SFHEDW is located at the Atlanta Federal Records Center, 4712 Southpark Boulevard, Ellenwood, Georgia 30294.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM: Individuals who have obtained a mortgage insured under HUD/FHA's single family mortgage insurance programs, individuals who have assumed such a mortgage, and individuals involved in appraising or underwriting the mortgage. The category of individuals contained within this system includes, but are not limited to: mortgagors, appraisers, and employees of lenders, HUD and other parties involved with the transaction.

CATEGORIES OF RECORDS IN THE SYSTEM: AUTOMATED FILES CONTAIN THE FOLLOWING CATEGORIES OF RECORDS:

Mortgagors: Name, addresses, date of birth, social security number, and racial/ethnic background (if disclosed) which are supplied by lenders through Automated Underwriting Systems during the mortgage application and underwriting process.

Parties Involved with Transaction: Name, addresses, and identifying numbers which are supplied by the lender or the individual.

Mortgage Details: Data regarding current and former FHA insured mortgages which includes underwriting data, such as: loan-to-value ratios and expense ratios; original terms, such as: mortgage amount, interest rate, term in months; status of the mortgage insurance; and history of payment defaults, if any. This information is provided by the lender at the time of closing, and also maintained by the loan servicer.

HUD Employees: Names and identification of all HUD employees who have access to the system records. Also, identification information is stored for employees who work with mortgage applications through FHA Connection.

NOTE: Certain records contained in this system, which pertain to individuals, contain principally proprietary information concerning sole proprietorships, which may reflect personal information; however, only the records reflecting personal information are subject to the Privacy Act.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM: The system is maintained in accordance with Section 203, National Housing Act, Public Law 73-479; and 42 U.S.C. § 3543, titled “Preventing fraud and abuse in Department of Housing and Urban Development programs” enacted as part of the Housing and Community Development Act of 1987, which permits the collection of Social Security Numbers.

PURPOSE(S): The SFHEDW is an ongoing, fully operational data warehouse that is the key source for HUD employees and contractors who require access to Single Family data. Users of SFHEDW have assigned roles, including a “need-to-know” standard access to the system’s information. SFHEDW is an integrated data warehouse that contains critical Single Family business data from twenty (20) originating source systems, mostly from FHA Single Family

automated systems. The system allows queries for reporting to support oversight activities, market and economic assessment, public and stakeholder communication, planning and performance evaluation, policies and guidelines promulgation, monitoring and enforcement.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING

CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES. In addition to those disclosures generally permitted under 5 U.S.C. § 552a(b) of the Privacy Act, other routine uses include:

1. To the Federal Bureau of Investigations (FBI), for investigations of possible fraud revealed during the underwriting, insuring or monitoring process.
2. To the Department of Justice, for prosecutions of fraud revealed in underwriting, insuring or monitoring.
3. To the General Accounting Office (GAO), for audit purposes.
4. To contractors, grantees, experts, consultants, and the agents thereof, and others performing or working on a contract, service, grant, cooperative agreement with HUD, when necessary to accomplish an agency function related to its system of records, limited to only those data elements considered relevant to accomplishing an agency function. Individuals provided information under this routine use are subject to the same Privacy Act requirements and limitations on disclosure as are applicable to HUD officers and employees.
5. To contractors, experts, consultants with whom HUD has a contract, service agreement or other assignment of the Department, when necessary to utilize relevant data for purposes of testing new technology and systems designed to enhance program operations and performance.
6. To appropriate agencies, entities, and persons when: a) HUD suspects or has confirmed that the security or confidentiality of information in a system of records has been compromised; b) HUD has determined that as a result of the suspected or confirmed compromise there is a risk of

harm to economic or property interests, identity theft or fraud, or harm to the security or integrity of systems or programs (whether maintained by HUD or another agency or entity) that rely upon the compromised information; and c) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with HUD's efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm for purposes of facilitating responses and remediation efforts in the event of a data breach.

See also HUD's privacy website, Appendix I,² for additional discretionary routine uses that may in certain cases be applicable to SFHEDW/D64A.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM

STORAGE: Records are stored on magnetic tape/disc/drum. There are no paper records stored by this system.

RETRIEVABILITY: Records are retrieved by name, social security number or other identification number, case number, property address, or any other type of stored data. There are no paper records retrieved by this system.

SAFEGUARDS: Electronic records are maintained in secured areas, and access is limited to authorized personnel. There are no paper records maintained requiring safeguarding by this system.

RETENTION AND DISPOSAL: Electronic records of cases established are retained indefinitely. Records maintained by SFHEDW are copies of records compiled from the originating source systems. For this reason, records within SFHEDW can be maintained until no longer needed for administrative, legal, audit, or other operational purposes. The Records Retention Schedule for SFHEDW is listed in the General Records Schedule (GRS) 20.4/20.5.
